

You're invited to learn how
FAIR WORKPLACES, BETTER JOBS ACT
 can affect people with disabilities and their families.

On November 27, 2017, Bill 148, The Fair Workplaces, Better Jobs Act, became law in Ontario. Bill 148 affects employment standards for minimum wage, public holiday pay, how employees request scheduling changes and more.

PEOPLE AND FAMILIES WHO RECEIVE SUPPORT THROUGH MCSS FUNDED DEVELOPMENTAL SERVICES OR RECEIVE SUPPORT THROUGH OTHER SOURCES OF FUNDING WILL BE IMPACTED BY BILL 148.

Those who have services from any service provider, independent contractor or Direct Support Professional are affected by Bill 148.

JOIN US FOR AN INFORMATION NIGHT AND RESOURCE SHARING FOR FAMILIES

Understanding how this affects you and your obligations, is the first step to compliance. On January 22, 2018, **Cheryl W. Pooran will provide a free in-person information session for people and families in our community**, to help understand the changes in the law and what it means for you.

This Information Night will include:

- Information about Bill 148, how it affects Developmental Services, and timelines
- How to determine if these obligations apply to you and your services
- What your responsibilities are to your DSP or Independent Contractor
- Free resources to help be compliant with Bill 148
